Hello! My name is Mrs Drury and I am the librarian. Kindergarten classes visit the library each week for a library lesson. In this library lesson we listen to a story and complete a related activity, Students also return and borrow books and will need to bring a library bag so that they can borrow. These can be purchased from the school for \$10 or you may use one that has been made by a grandparent or friend. Each year we celebrate the CBCA book week by dressing up as a favourite book character and throughout the year fun activities are held in the library at lunch time and during school time.

Greetings Kindergarten 2021!

Our names are Mr Hijazi & Ms Pappas.

We are the Community Language Teachers.

We teach Arabic & Greek twice a week.
